SENIOR YEARS

FUTURES INFORMATION

Inclusion. Respect. Effort. Resilience.

KATHERINE HIGH SCHOOL

Discover your next step...

It's time to start planning your future. In this booklet you will find all the important things you need to know for your Senior Years. So, start exploring and open your eyes to some amazing opportunities!

In this book...

About us...

80+ staff

500+ students

KATHERINE HIGH SCHOOL

Established **1988**

Grevillea Road Katherine

Postcode **0850**

The only **Public High School** in **Katherine**

Katherine High School serves a region **larger than** the state of **Victoria**

Diverse backgrounds

Public sector

RAAF families

Pastoral families

Business owners

Remote and urban **indigenous clans**

30

Over 30 indigenous clans from across the Territory are represented at the school.

Offers special programs:

Clontarf Foundation

Stars Foundation

Vocational Education and Training VET programs for Years 10-12

NT School of Distance Education

Senior Teaching Team

Nina Jones
Senior Years AP

We do what we do, because we care.

Your Senior Years Experience

This is the time to make great memories; grow lifelong friendships; and develop the skills that will set you up for success.

Whether you're into arts, sports, science, mathematics or everything in between, our teachers will support you to succeed and grow.

Let's make your high school experience matter.

About NTCET

Students who successfully complete their senior secondary education are awarded the Northern Territory Certificate of Education and Training (NTCET). The NTCET will help students develop the skills and knowledge they need to succeed whether they are headed for further education, training, an apprenticeship or straight into the workforce. We use the South Australian Certificate of Education (SACE) to complete the NTCET.

How do students get the NTCET?

Students can gain their NTCET in two years of full-time study; however, most students spread this over three years. There are two stages:

- Stage 1, which runs for a semester in length.

- Stage 2, which runs for a year in length.

Each subject or course successfully completed earns credits towards NTCET. A minimum of 200 credits are required for students to gain the certificate.

Compulsory requirements
To achieve your NTCET you must complete these compulsory requirements with a C grade or higher at Stage 1, and a C- grade or higher at Stage 2:

- **Stage 1 Personal Learning Plan – completed in Year 10 or Year 11 (10 credits)**
- **Numeracy requirement – a Mathematics subject or course in Stage 1 or Stage 2 (10 credits)**
- **Literacy requirement – an English subject or course in Stage 1 or Stage 2 (20 credits)**

Of the remaining 160 credits you will need to

make up your 200 credits, at least 60 credits must be at Stage 2 level.

Lesson times

Lesson 1	8:15am – 9:19am
Lesson 2	9:19am – 10:23am
Recess	10:23am – 10:53am
Lesson 3	10:53am – 11:57am
Lesson 4	11:57am – 1:01pm
Lesson 5	1:36pm – 2:40pm

ATAR

The Australian Tertiary Admission Rank (ATAR) is a number between 0.00 and 99.95 that indicates a student's position relative to all the students in their age group. An ATAR of 80.00 means that you are 20 per cent from the top of your age group (not your Year 12 group).

Universities use the ATAR to help them select students for their courses and admission to most tertiary courses is based on your selection rank (your ATAR + any applicable adjustments). Most universities also use other criteria when selecting students (e.g. a personal statement, a questionnaire, a portfolio of work, an audition, an interview or a test).

You are eligible for an ATAR if you achieve 90 credits in Stage 2. Each state and territory has an admissions centre responsible for processing applications to universities. These include SATAC (SA/NT), TISC (WA), QTAC (QLD), UAC (NSW/ACT) and VTAC (VIC).

The SACE planner

Personal Learning Plan = 10 credits

Credits

| | 10 |
| | Subtotal 10 |

Literacy = 20 credits *Choose from a range of English subjects or courses*

Numeracy = 10 credits *Choose from a range of mathematics subjects or courses*

| | Subtotal 30 |

Stage 2 subjects or courses = 60 credits
Choose from a range of Stage 2 subjects and courses

| | 10 |
| | Subtotal 60 |

Additional choices = 90 credits
Choose from a range of Stage 1 and Stage 2 subjects and courses

| | Subtotal 100 |

To gain the SACE, you must earn 200 credits

200

	Compulsory Stage 1	Students must achieve a C grade or higher for Stage 1 requirements and a C- or higher for Stage 2 requirements to complete the SACE.
	Compulsory Stage 1 and Stage 2	
	Compulsory Stage 2	
	Choice of subjects and/or courses (Stage 1 and/or 2)	Students must achieve a grade or equivalent for subjects and/or courses selected.

Your lesson for life starts now

The Curriculum Pattern

To complete your NTCET (200 credits), you must:

- achieve an A, B or C for all the compulsory elements.
- achieve an A, B or C in 140 credits.

The Compulsory Elements are:

- The Personal Learning Plan (10 credits)
- Literacy requirement (at least 20 credits) from a range of English subjects
- Numeracy requirement (at least 10 credits) from a range of mathematics subjects
- 60 credits of Stage 2 subjects or their equivalent

Students can also gain recognition for learning outside of school. This can include:

- Vocational Education and Training (VET).
- TAFE and university courses.
- Community learning (for example, Duke of Edinburgh's Award, Army Cadets).

NTCET

	Stage 1 (compulsory)	Stage 1 or 2 (electives)	Stage 2 (compulsory)	
Personal Learning Plan 10 credits (this subject is usually taken at Year 10)	10	10	10	10
10 Literacy from a range of English subjects 20 credits	10	10	10	10
	10	Subjects and courses from a wide range of options 100 credits	Subjects and courses from a wide range of options 60 credits	
10	10	10	10	10
Numeracy from a range of Mathematics subjects 10 credits	10	10	10	10
			At Stage 2 for ATAR

Talk to your NTCET Coordinators, teachers or Careers Advisor at your school for further advice or visit **www.education.nt.gov.au**

Open the door to opportunities and chase your dreams.

Vocational Education & Training

VET provides students with the skills and knowledge needed for work. It includes practical, hands-on learning, which suits many students. It also leads to excellent jobs in many fields. Studying VET as part of your NTCET or SACE enables you to get a head start on a qualification, which is a great way to fast-track your progress towards a rewarding career.

VET operates through a national training system, particularly for trades and other industries. It is delivered, assessed, and certified by registered training organisations (RTOs), including TAFE. Katherine High School enjoys a working partnership with the Department of Education RTO to offer Certificates at school from VET Trainers in our on site workshops. Skill sets are offered to Year 9 with formal Certificate I and Certificate II qualifications offered to Senior Years students across Automotive, Building & Construction and Engineering and Manufacturing Pathways.

We also partner with Charles Darwin University (CDU) to deliver additional Certificates, including the very popular Certificate II in Rural Operations. Students have the opportunity to learn at the CDU rural campus with the majority of the training and assessing completed in two-week blocks delivered at the end of each term.

Each of these courses enables the students to learn practical trade skills and theory which are recognised nationwide in the form of national VET qualifications. Additionally successful achievement in the Certificate I and II courses accumulate NTCET credits for Stage 1 and 2 which helps the students to graduate in Year 12. Students can gain recognition for up to 150 SACE credits at Stage 1 and/or Stage 2 for successfully completing specific VET courses. If you are thinking about becoming a carpenter, a builder, or mechanic, or want to experience station and stock work, then including VET in your NTCET could be the right choice for you.

School-Based Apprenticeships

The VET courses can also form part of a School Based Traineeship or Apprenticeship. School Based Apprenticeships allow senior high school students to commence an apprenticeship while at school. While studying for their NTCET, school based apprentices work part-time and undertake the first stage of their formal or off-the-job apprenticeship training. The students complete their Literacy, PLP (Personal Learning Plan) and Numeracy requirements at school on a modified timetable which allows them to work and complete their on the job training and trade school requirements.

We recognise and promote this flexible learning arrangement which allows students to achieve in both the education sector (gaining their NTCET) and in the workforce (trade and work qualifications) which is a win/win for all concerned.

NT School of Distance Education

The NT School of Distance Education (NTSDE) is a leading provider of senior secondary education, via distance, to NT students in Years 10, 11 and 12. Katherine High School has partnered with NTSDE to provide a larger variety of options for students when they're selecting their career pathway. NTSDE teaching and learning programs use a blended delivery model that incorporates online courses, weekly video conferencing lessons and regular support via phone, email and contact visits at Katherine High School.

Quick facts

40+ schools are supported by NTSDE

100% successful completion of all Year 12 subjects

124+ subjects offered

40 years of secondary school education for Territorians

Create meaningful opportunities

Reminders

ICT devices

Devices can only be used in class with the teacher's permission.

Students breaching rules can be banned from bringing devices to school.
Students can bring their own devices with teacher's permission.
Any devices brought to school are at the student's own risk of loss or damage.
There are no storage areas for student devices.
Please contact Daryl Francis for ICT issues or questions: darly.francis@education.nt.gov.au

After school study session

Monday and Tuesday afternoons from 3pm-4pm

Study sessions begin Week 3 of every term.

Students will have access to computers and library resources to complete assessments and homework.

A large number of teachers will be available.

If a student needs a specific teacher they need to request the teacher to come to the study session. Not all teachers attend the sessions unless requested by students.

Compass

We use the Compass app to keep you updated on day-to-day school activities. The app provides you with the following information:

- Class timetable and locations
- Positive Behaviour Points
- Messages and updates from the school
- Emails
- Calendar

Your parents/caregivers will also be able to access:

- Attendance
- Reports
- Updates

Resource Page

We work with a range of different programs and organisations to ensure our students have access to all opportunities.

Below is a list of websites to support your learning:

- SACE: www.sace.sa.edu.au/
